Prices

This price list supersedes all previous publications with goods being invoiced at prices ruling on date of dispatch. Prices are subject to alteration without notice and include VAT.

Delivery

Any claims for non-delivery, shortage or damaged goods must be reported in writing to the company within 14 working days from date of delivery. Such claims will not be accepted for deliveries to a third-party delivery address.

Returned Goods

Requests to return goods must be made in writing to sales@kristenbathrooms.com within 14 days and include the product details, purchase order number and reason for return. Requests for items not required with packaging in poor conditions must be received within 14 days and will be subject to a 25% re-stocking charge and an additional 10% re-packing charge.

Requests for items that have internal product damage must be received within 14 days.

Special orders are non-returnable. Collection will only be made from point of delivery.

Returned goods will not be collected once they have been sent to a third party.

Retention of Title

Ownership of goods shall remain in the Company until full payment has been received for all goods comprised in this contract. If any goods are re-sold before payment is made the Company's right of ownership shall be transferred to the proceeds of sale or to the claim for such proceeds.

Liability

All quotations are given and goods sold subject to the conditions that the seller's liability is limited to goods proved to have been defective in material or workmanship when they left the sellers works. No claim will be accepted where goods have not been used for the purpose for which they were intended, not fitted correctly, not maintained to the

seller's recommended standards or have been abused or misused.

Errors & Omissions

In the interest of continuing design and development and product improvement, Kristen reserves the right to change colour, designs and product specifications without prior notice.

Prior Compatibility

Whilst the majority of Kristen Bathrooms products are compatible, care should be taken on product selection prior to ordering to avoid installation issues. Technical drawings are available on request.

General

The colours and finishes reproduced in this brochure are as accurate as the photography and printing process allows but may vary from the actual colours. Product size stated are nominal and should be checked against the product. It is strongly advised that all bathrooms are well heated and ventilated. It is the responsibility of the individual installer to ensure that these products are fitted correctly and in line with the instructions provided. Failure to comply with the recommended fitting instructions will invalidate the guarantee.

Easy Installation

All furniture ranges incorporate a factory fitted hanging system that allows safe and simple installation. Please ensure the correct wall fittings are used on solid and stud walls. Some furniture products are reversible for left and right-hand door opening.

Installation Notes

When installing a wall hung pan or wash basin, please ensure that appropriate fixings or suitable framework are used. When purchasing a wall hung pan, wash basin or bidet on its own Kristen Bathrooms do not supply any fixings. We strongly recommend all furniture and ceramics be fitted to a tiled surface, not tiled up to, this will assist any future maintenance. Due to the weight of some products, you must ensure that the walls to which fixing is to be carried out are of a suitable construction to support the product.

WC and Basin Ceramics

Vitreous China is an extremely hard, non-porous product; but it is also breakable and therefore must not be put under stress during installation. Basin waste fittings if over tightened will create stress within the ceramic material which may in time cause the failure of the product. Waste fittings should be carefully sealed in sanitary silicone and the back nut hand tightened, one additional and final quarter turn using a suitable spanner is sufficient to create the required watertight seal. Care should also be taken when fitting brassware to tap platforms in order to prevent similar stress related failures.

All products should be inspected before attempting installation.

Care and Cleaning

Furniture, ceramics, glass, accessories and radiators are made to the highest standards, by following the simple guidelines below will provide you with many years of enjoyable service.

General:

NEVER use products containing bleach, caustic soda, cleaners of a gritty or abrasive or so called "glass and mirror" cleaning products.

Furniture:

Apart from regular wiping off the furniture units can be cleaned with a moist soft or microfiber cloth. Any stubborn marks can be removed with diluted mild detergent e.g. washing up liquid.

Mirrors, Cabinets and Light Fittings:

Clean only with a microfiber cloth, NEVER use "glass and mirror" cleaning products.

Sanitary ware, toilet seats, glass, brassware and ceramics:

Sanitary ware/ceramics should be cleaned after use by applying a little cream-type cleaner using a sponge or damp cloth and rinsed thoroughly with clean water. In hard water areas a good quality lime-scale remover can be applied. Toilet seats should only be cleaned using a diluted mild detergent e.g., washing up liquid or warm non-abrasive soapy water, products containing bleach can lead to staining. Toilet seat hinges should be cleaned ONLY using a moist soft or microfiber cloth. Any stubborn marks can be removed with diluted mild detergent e.g., washing up liquid.

Towel Warmers & Radiators:

Towel warmers/ Radiators should be cleaned when cold with a moist soft or microfiber cloth. Any stubborn surface or oxidation marks can be cleaned with Maas Polishing Crème.

Product Guarantee

All Kristen Bathrooms products unless otherwise stated carry a 5 year guarantee, which covers all manufacturing defects. This guarantee does not cover damage during lifting or misuse.

- The guarantee is only available to original purchasers who have proof of purchase.
- If the product has been installed, Kristen Bathrooms must be given the opportunity to inspect the product in the installed condition.
- If the product is defective in materials or manufacture the original purchaser must contact Kristen Bathrooms within 30 days of the fault occurring. If the fault is not resolved the goods should be returned to Kristen Bathrooms and at our discretion, we will refund the purchase price, repair and return the goods to you or send new goods or parts to you as a replacement, this shall constitute our sole obligation under this guarantee.
- Due to a continuous development program, If in our opinion the product has failed under the terms of the guarantee and a replacement is offered but identical goods are no longer available, Kristen Bathrooms will replace it with our nearest equivalent product.
- This guarantee covers normal use; it does not cover faults caused by incorrect installation, willful damage, neglect, misuse, modification, inappropriate cleaning, accidental damage, and other events outside Kristen Bathrooms control.
- This guarantee does not cover any products that has been altered or modified in any way without the prior written consent of Kristen Bathrooms.
- If a claim is made under this guarantee, and the defect is not due to faulty materials or manufacture, Kristen Bathrooms reserves the right to charge the customer at the current hourly rate in respect of a service engineers time.
- This guarantee is only valid for products purchased, installed and used in Northern Ireland.
- This guarantee does not cover ex-display products.
- The benefit of this guarantee cannot be transferred to a third party.
- General wear and tear to any of the above items would be considered a specific exclusion. This guarantee is in addition to and does not affect your statutory rights.
